Aug 2019–Oct 2020

Instructor • Teachers On Call

Aug 2014–Jun 2019

Instructor • Washoe County School District

I enjoy helping and serving others in ways that have an impact. I believe in deep listening, empathy and compassion as the key ingredients necessary to help others acquire the tools they need to be successful.

Education

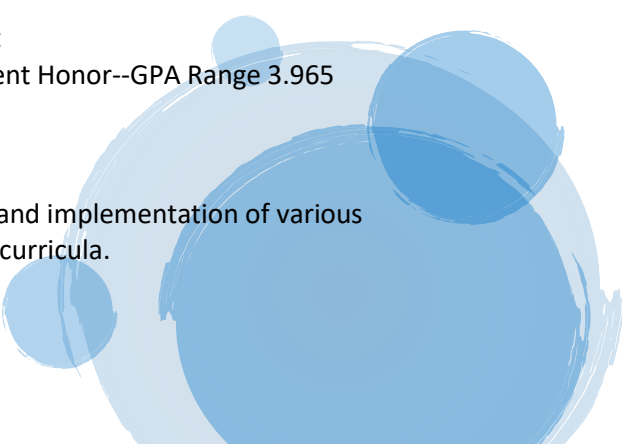

Minnesota State University, Mankato

- Master's Degree, Instructional Design and EdTech 2019-2021
- Summa Cum Laude Recipient
- Highest Academic Achievement Honor--GPA Range 3.970

University of Nevada, Reno

- Bachelor's Degree, Elementary Education and Special Education 2011-2013
- Summa Cum Laude Recipient
- Highest Academic Achievement Honor--GPA Range 3.965

Notable Accomplishments

- Assisted in the selection and implementation of various language arts and math curricula.
- 

BahnsenToni@gmail.com

<http://www.linkedin.com/in/toni-bahnsen>

- Served on our school's Multi-Tiered Systems of Support Team (MTSS) for (2) consecutive years.
- Involved as a Safety Team member and helped to address safety issues throughout our school.
- Lead efforts to share newly gained best practices to my colleagues to further develop professional practices.
- I created evidenced-based content for digital learning tools used to support learning efforts in In-Person, Hybrid, and Distance Learning environments.
- Administered assessments and tracked student progress using data analysis; this allowed modification of content to meet individual needs.
- Developed curriculum and created training to support developmentally appropriate programs that aligned with policies and Minnesota State Educational Standards.
- Created a dual-language immersion environment for an audience of multiple grade and accessibility.
- Designed E-Learning content for a district utilized LMS.
- Utilized E-Learning platforms that incorporated assistive learning devices into content.
